NEW TRUSTED OWNERSHIP

Recently acquired by RX Health and Science Trust and proudly leased by Transwestern, the four-building, 177,000 RSF Union Park has been transformed into one of Central Perimeter's best new patient destinations.

Built for access and flexibility, Union Park is positioned as the best option for your practice in Atlanta's Pill Hill area.

ON-SITE + AREA AMENITIES

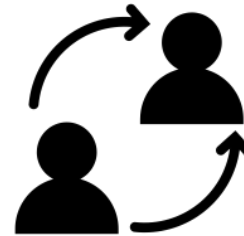

Union Park was recently acquired by RX Health and Science Trust, who has also taken over management of the park. The property boasts several amenities, including an on-site cafe, ample free parking, and no use restrictions.

Union Park also has an advantageous location in close proximity to Atlanta's Pill Hill, home to three of the top hospitals in the state. In addition to its healthcare focus, the area offers plenty of shopping and dining options, with the Perimeter Mall and numerous restaurants nearby. The area is also easily accessible, with several major highways and public transportation options available.
